

HyacinthzDesignz Web Plans & Pricing

WEB SITE DEVELOPMENT	FEE	NOTES:
up to 5 basic pages*	\$350.00	Site development includes research/analysis of client needs, site design, page construction, editing and integration of client-provided content, search engine optimization, set up of counters/trackers, and revisions per client review and feedback.
6-10 basic pages*	\$500.00	
per additional page*	\$50.00	
<i>*based on the same template</i>		
EXTRAS	FEE	<p>Each page may include 1-2 client-provided images per page without additional cost. Image resizing and preparation of an existing logo for the web are included at no additional cost.</p> <p>Extra charges apply for other photo editing, graphics/ logo development, development of animated banners or flash components, and for digital photo albums and memory books. Extra charges also apply for the development of articles or other content. Please request quote.</p> <p>The final product will be provided on CD-ROM for clients who prefer to upload their own site.</p> <p>For clients purchasing hosting from us, we will set up the site on the server and upload the content at no additional cost. Note that in all cases there is a separate cost for registration of domain names and for hosting fees. For clients purchasing hosting from other providers who wish us to set up their site and upload their content, a \$35 set-up fee will apply.</p>
